	4. The term of office of Mr. Tarun Kashyap as an Executive Director of the Company shall be subject to retire by rotation.
Term of Appointment	5 years w.e.f. November 14, 2024

Mr. Tarun Kashyap is not disqualified from being appointed as Director in terms of Section 164 of the Act and has given his consent to act as an Executive Director in compliance with applicable provisions of the Companies Act, 2013.

A Brief resume of Mr. Tarun Kashyap is provided as per Annexure 1. The Board considers that his association would be immense benefit to the Company, and it is desirable to avail services of Mr. Tarun Kashyap as an Executive Director who will work along with Mr. Vineet Goverdhan Shah, Managing Director of the Company.

Except Mr. Tarun Kashyap along with his relatives, being an appointee, none of the Directors or Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in the resolution as set out at Item No. 4 of the this Notice.

The Board recommends the passing of the Ordinary resolution set out at Item No. 4 for the approval of Members.

**Item No.5: For making investments / extending loans and giving guarantees or providing securities in connection with loans to Persons / Bodies Corporate**

The Company has been making investments in, giving loans and guarantees to and providing securities in connection with loans to various persons and bodies corporate (including its subsidiary) from time to time, in compliance with the applicable provisions of the Companies Act, 2013 (Act) . The provisions of Section 186 of the Act read with the Companies (Meetings of Board and its Powers) Rules, 2014, as amended to date, provides that no company is permitted to, directly or indirectly, (a) give any loan to any person or other body corporate; (b) give any guarantee or provide security in connection with a loan to any other body corporate or person; and (c) acquire by way of subscription, purchase or otherwise, the securities of any other body corporate, exceeding sixty percent of its paid-up share capital, free reserves and securities premium account or one hundred per cent of its free reserves and securities premium account, whichever is more. Further, the said Section provides that where the giving of any loan or guarantee or providing any security or the acquisition as provided under Section 186(2) of the Act, exceeds the limits specified therein, prior approval of Members by means of a Special Resolution is required to be passed at a general meeting.

The Company was under Corporate Insolvency Resolution Process ("CIRP") with effect from October 3, 2019 under the provisions of Insolvency and Bankruptcy Code, 2016 ("IBC") by an Order passed by Hon'ble National Company Law Tribunal, Mumbai Bench ('NCLT'). The NCLT vide its order dated November 1, 2023 has approved the Resolution Plan submitted by M/s. Shivasons Solutions India Private Limited under Section 31 of the IBC, which has been implemented in phase wise manner. The powers of the Board of Directors of the Company and its Committees remained suspended from the initiation of CIRP till Board of the Company has been re-constituted i.e. July 3, 2024.

As per the latest audited Balance Sheet of the Company as on 31st March 2024, sixty per cent of the paid-up share capital, free reserves and securities premium account amounts to Rs.8.56 Crores while one hundred per cent of its free reserves and securities premium account amounts to Rs.0 Crores. Therefore, the maximum limit available to the Company under Section 186(2) of the Act for making investments or giving loans or providing guarantees / securities in connection with a loan, as the case may be, is Rs.8.56 Crores.

In view of the above and considering the long term business plans of the Company, which requires the Company to make sizeable loans / investments and issue guarantees / securities to persons or bodies corporate, from time to time, prior approval of the Members is being sought for enhancing the said limits. Hence, the Special Resolution at Item No.5 of the Notice, notwithstanding the fact that the same exceeds the limits provided under Section 186 of the Act.

The Directors recommend the Special Resolution as set out at Item No. 5 of the accompanying Notice, for Members' approval.

None of the Directors or Key Managerial Personnel of the Company and their relatives is concerned or interested, financially or otherwise, in the Special Resolution.

**THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:**

- i. The voting period begins on Friday, December 20, 2024 at 9:00 A.M. (IST) and ends on Sunday, December 22, 2024 at 5:00 P.M. (IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of Wednesday, December 16, 2024 may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

### Global Aviation Industry Outlook:

The demand for air travel is expected to double by 2040, growing at an annual average rate of 3.4%. Origin destination passengers are projected to increase from around 4 billion in 2019 to just over 8 billion at the end of the forecast horizon Market Size The balance of risks, however, remains tilted to the downside. The expectations that demand for air travel will face challenges in the near term, including pressures on airline costs, geopolitical uncertainty, and macroeconomic headwinds that impact household income. Over the long run, the uncertainty around climate change and the costs associated with the net zero transition raise major concerns around the outlook. Developments in regional markets have also prompted upgrades to our near-term outlook. While it was previously expected North America to be the first region to fully recover to 2019 levels in 2023, it is now projected Latin America & Caribbean to also recover this year, given the robust international demand to and from the region and the strong performance of its airlines in meeting pent-up demand for air travel. The Asia Pacific region had recovered at a slower pace compared to the rest of the world, particularly after the prolonged travel restrictions that followed the region's Omicron wave in 2022. When travel restrictions were lifted throughout the region, and especially with China reopening earlier this year, the air passenger traffic recovery accelerated further, bringing the projected recovery year forward to 2024 from 2025. In the other regions, demand for air travel and traffic recovery remained resilient. Over the full forecast horizon, origin destination passengers are expected to increase by 3.9 billion. Asia Pacific is anticipated to contribute to more than half of the forecast growth, supported by favorable demographics and growth in household incomes. Regions

with well-established aviation industries, such as North America and Europe, will continue to see growth but at a slower pace than other regions.

Boeing shared projections for South Asia's commercial aviation sector over the next 20 years, with the region leading the world in yearly passenger traffic growth. The company shared its annual South Asia and India Commercial Market Outlook (CMO) at Wings India 2022, anticipating resilient long-term demand for commercial airplanes and services following the COVID19 pandemic.

South Asia's air travel sector is dominated by the Indian market, which accounts for about 90% of the region's passenger traffic. India's continued economic growth and its expanding middle class will fuel demand across South Asia for 2,400 new commercial jets valued at nearly ₹375 billion during the 20-year forecast period, according to Boeing.

Single aisle airplanes will increase their share of total airplane demand to serve India's vast domestic market and competitive regional market, which includes established carriers as well as start-up airlines. To improve and expand longhaul connectivity – especially routes from India to North America and Europe – carriers will continue to invest in versatile, fuel-efficient widebody airplanes.

- Other insights from Boeing's CMO forecast through 2040 include:
- Indian operators will need just over 2,000 new single-aisle airplanes to meet demand during the forecast period.
- Single-aisle airplanes such as the 737 family will continue to serve growth in domestic and regional markets, including flights from India to the Middle East and Asia Pacific regions.
- Indian carriers will need 240 new widebody airplanes such as the 787 Dreamliner to meet long-haul demand.
- India's air cargo growth is expected to average 6.3% annually, driven by the country's manufacturing and ecommerce sectors, including its Make in India initiative. Boeing forecasts demand for more than 75 freighters, including 10 widebodies and 737 Boeing Converted Freighters.
- India's civil aviation industry will require close to 100,000 new pilots, technicians and cabin crew personnel, with an increasing number of women pursuing aviation careers.
- The global aviation sector is growing due to the rise in air travel, leading to a greater demand for trained pilots and crew. This growth fuels the need for pilot and crew training equipment, where leasing offers a cost-effective alternative to purchasing.

### **Indian Aviation Industry Outlook:**

The demand for pilot training is huge. In recent times India has witnessed record setting aircraft orders, which have exceeded the current active fleet. Indian carrier has over 1,200 Airbus aircraft and 470 Boeing aircraft on order. In 2023 alone 120 new aircraft were added to the fleet. Each aircraft needs 12 to 16 pilots to be able to run the aircraft efficiently. India presently has about 12,000 active pilots. The country will need close to 8,000 additional pilots in a span of the next five years which means that we need to add close to 1,500 to 2,000 pilots each year to meet the growing demand.

Presently when it comes to Commercial Pilot Licences (CPL), 70% of the training is done abroad. Within the next decade, we anticipate that 30% of the training will be done outside of the country while 70% training will be in India. When it comes to flight simulation training, presently significant proportion is done abroad. This will drop to 10% within the next decade.

Where CPL is concerned, India has 34 to 37 flight schools that are able to cater to less than half of the total licences issued each year. India issued 1,622 pilot licences in 2023, the highest in a decade. Over

95% pilots who train abroad return to India to seek employment in the country each year.

Furthermore:

- India is 7th largest civil aviation market in the world and expected to be the 3rd largest aviation market by 2034
- There are currently 487 airports in India of which 25 are international, 123 airports with scheduled commercial flights
- On average, 1 Airbus aircraft per week is expected to be delivered to Indian carriers over the next 10 years. As such, the need for training is at all-time high in the subcontinent
- Airbus forecasts that India will need over 1,600 new passenger and freighter aircraft by 2034 to keep pace with growth in demand
- The planned new infrastructure facilities and the airlines' expansion plans would create more employment in India
- Vision 2040 of The Ministry of Civil Aviation estimates an exponential growth in number of passengers, aircraft and airports in India.
- DGCA issued a new Civil Aviation Requirement (CAR) under the Rule 29C Rule 133A of the Aircraft Rules 1937 effective from 31st Dec 2019 to boost the flight crew training capacity in India.

#### **Discussion on Financial Performance with Respect to Operational Performance:**

The Company before invoking CIRP was in the business of IT and IT enabled services which was not continued due to lack of funds and manpower hence presently there is no business in the Company hence no revenue.

The Company's Board of Directors have decided to enter into Aviation Sector by entering into Simulator leasing business and approved the change in object clause of the Company which was approved by the shareholders on 01/10/2024.

The Company intend to start the aviation equipment leasing business focuses on providing aircraft, full flight simulators (FFS), and other essential aviation training equipment to airlines, training centers, and aviation academies. Our country's massive requirement for pilots given the over 1,500 aircraft already on order by Air India, IndiGo, Akasa and other airlines, so there is vast opportunity for global training biggies. International flight simulator provider As per reports, Simaero has decided to invest Rs.100 million in India to train up to 5,000 pilots over the next five years.

#### **Opportunities, Threats, Risks and Concerns:**

##### **Strengths:**

- High demand for aviation training due to rising air traffic

- Long-term leases provide stable revenue streams
- Advanced training equipment with strong resale value

**Weaknesses:**

- High initial capital investment
- Dependence on the aviation sector, which is cyclical

**Opportunities:**

- Expanding into emerging markets
- Offering value-added services like training programs

**Threats:**

- Economic downturns affecting the airline industry
- Technological obsolescence of equipment

**Internal Controls and Their Adequacies:**

The internal control system is intended to increase transparency and accountability in an organization's process of designing and implementing a system of internal control. They have been designed to provide reasonable assurance with regard to recording and providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use, executing transaction with proper authorization and ensuring compliance of corporate policies.

**Human Resources/ Industrial Relations:**

The Company believes and recognizes that its employees are a vital resource in its growth and to give competitive edge in the present business scenario The Company takes pride in the commitment, competence and dedication shown by its employees in all areas.

## REPORT ON CORPORATE GOVERNANCE

### COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE:

Company's philosophy on Code of Governance of "**MELSTAR INFORMATION TECHNOLOGIES LIMITED (MITL)**" considers Corporate Governance as a pre-requisite for meeting the needs of its stakeholders. The principles of transparency, accountability, trusteeship, creating robust policies and practices for key processes, equity in all facets of its operations and integrity are at the core of the Company's basic character.

The Board of Directors (**'the Board'**) is at the core of our Corporate Governance practices and oversees how the Management serves and protects the long-term interests of our stakeholders.

### Melstar's Philosophy on Corporate Governance:

The corporate governance philosophy at Melstar stems from the set of principles and framework embedded in its values. We are committed to strong corporate governance that is aligned with our objective of maximizing our stakeholders' interests. We adhere to the highest standards of governance, integrity, ethics and transparency. These are driven by our values and principles, which are imbibed at all levels in the Company to ensure that we gain and retain the trust of our stakeholders. Aligning our organization around this cohesive set of values is critical to the fulfillment of our mission and achievement of our business goals.

We have a Code of Conduct with the underlying belief of conducting business in a principled manner. It lays down our values and principles that always guide our actions to live up to our best ideals and to operate our business with the utmost integrity. We ensure that ethical conduct is embedded across our operations and we expect all our employees and external partners to follow the same. Our policies and procedures operate alongside our Code to guide our employees as they conduct their day-to-day activities. They encompass all relevant laws, regulations and promotional standards.

### Creating Value

At Melstar, we aim to abide by the highest standards of good governance and ethical behaviour across all levels within the organisation with a zero-tolerance policy towards any deviation from these standards. Our ethical framework focuses on long-term shareholder value creation through responsible decision-making. Melstar's corporate governance framework is founded on the following pillars:

#### Transparency

For us, transparency is key to healthy, self-sustaining growth and promotes self-enforcing checks and balances. It also fosters deep and long-standing trust among our stakeholders. We strive to demonstrate the highest levels of transparency, over and above statutory requirements, through accurate and prompt disclosures.

#### Fairness

We practice fair play and integrity in our transactions with all stakeholders, both within and outside the organisation. We conduct ourselves in the most equitable manner.

#### Accountability

For us, accountability is about holding ourselves firmly responsible for what we believe in and for delivering what we have promised. We ensure this by promoting a mind-set of end-to-end ownership throughout the organisation. By means of openness and transparency, we consider

ourselves accountable to the entire universe of stakeholders including our employees, shareholders, vendors, government agencies, society, medical community, customers and business partners and supply chain participants.

### **Competent leadership and management**

We believe that a dynamic, diverse and experienced Board with a focus on excellence plays a pivotal role in Melstar's corporate governance aspirations. In view of this, we endeavour to maintain a Board composition that brings healthy balance of skills, experience, independence, assurance, growth mind-set and deep knowledge of the sector.

### **Sustainability**

At Melstar, sustainability is about effectively managing the triple bottom line i.e. the financial, social and environmental aspects, whilst focusing on business continuity. We are committed to pursuing our economic growth while concurrently watching our ecological footprint and increasing our positive social impact.

### **Compliance and risk management**

Full adherence to all regulatory and statutory requirements in letter and spirit is a key guiding principle at Melstar. The risk management function targets to maintain a live register of important risks along with implementing a plan to monitor and mitigate them. We believe that effective compliance and risk management activities will drive the sustainability of corporate performance.

The Company has formulated a number of policies and introduced several governance practices to comply with the applicable statutory and regulatory requirements, with most of them introduced long before they were made mandatory. The Company believes that any business conduct can be ethical only when it rests on the nine core values viz. honesty, integrity, respect, fairness, purposefulness, trust, responsibility, citizenship and caring and strives to achieve the same.

#### **A. Code of ethics**

Our policy document on 'Code of Ethics' demands that our employees conduct the business with impeccable integrity and by excluding any consideration of direct or indirect personal profit or advantage.

#### **B. Business policies**

Our 'Business Policies' cover a comprehensive range of issues such as fair market practices, inside information, financial records and accounting integrity, external communication, work ethics, personal conduct, policy on prevention of sexual harassment, health, safety, environment and quality.

#### **C. Policy on Prohibition of insider trading**

The Company's Insider Trading Policy aims at prohibiting trading in the securities of the Company, based on insider or privileged information.

#### **D. Policy on prevention of sexual harassment**

Our policy on prevention of sexual harassment aims at promoting a productive work environment and protects individual rights against sexual harassment.

#### **E. Environment Policy**

The Company is committed to achieve excellence in environmental performance, preservation and promotion

of a clean environment. These are the fundamental concerns in all our business activities.

## **F. Risk management**

Our risk management procedures ensure that the Management controls various business-related risks

through means of a properly defined framework.

## **INDEPENDENT AUDITOR'S REPORT**

To the Members of MELSTAR INFORMATION TECHNOLOGIES LIMITED

### **Report on the Audit of the Standalone Financial Statements**

#### **Qualified Opinion**

We have audited the standalone financial statements of MELSTAR INFORMATION TECHNOLOGIES LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2024, and the Statement of Profit and Loss, Statement of changes in Equity and Statement of Cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and profit, changes in equity and its cash flows for the year ended on that date.

#### **Basis for Qualified Opinion**

1. With reference to Note No 27 (l) regarding the balance of Trade Payables, Trade Receivables, Loans, Advances, current liabilities, borrowing from others etc. being not confirmed by the parties due to pending reconciliation the management has not sent direct confirmations to parties and hence our inability to state whether these balances are recoverable /payable to the extent stated.
2. The company has accumulated losses exceeding the share capital and reserves and its net worth has been fully eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the company's ability to continue as a going concern. However, the standalone financial results of the Company have been prepared on a going concern basis because of the reasons stated in the Note No. 27 (j) to the standalone financial results.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of Matter**

We draw attention to Note No. 27 (i) regarding an application for initiation of corporate insolvency resolution process of Melstar Information Technologies Limited was admitted by the Hon ble National

Company Law Tribunal, Mumbai vide order dated October 1, 2019, under the Insolvency and Bankruptcy Code, 2016 (IBC) and hence currently, the Company is under corporate insolvency resolution process (CIRP).

Our opinion is not modified in respect of these matters.

### Key Audit Matters

Key Audit Matters (“KAM”) are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the Key Audit Matters (“KAM”) to be communicated in our report.

Key Audit Matter	Auditor’s Response
<p><b><u>Allowance for credit losses</u></b>                      The Company determines the allowance for credit losses based on historical loss experience adjusted to reflect current and estimated future economic conditions. The Company considered current and anticipated future economic conditions relating to industries the Company deals with and the geographical location where it operates.</p> <p>In calculating expected credit loss, the Company has also considered credit reports and other related credit information for its customers to estimate the probability of default in future. We identified allowance for credit losses as a key audit matter because the Company exercises significant judgment in calculating the expected credit losses.</p>	<p>Our audit procedures related to the allowance for credit losses for trade receivables included the following, among others:                      We tested the effectiveness of controls over the</p> <ul style="list-style-type: none"> <li>• development of the methodology for the allowance for credit losses, including consideration of the current and estimated future economic conditions</li> <li>• completeness and accuracy of information used in the estimation of probability of default and</li> <li>• Computation of the allowance for credit losses.</li> </ul> <p>For a sample of customers:                      We tested the input data such as credit reports and other credit related information used in estimating the probability of default by comparing them to external and internal sources of information.                      We tested the mathematical accuracy and computation of the allowances by using the same input data used by the Company.</p>
<p><b>Investment impairment assessment</b>                      The Company has investments in subsidiaries. These investments are accounted for at cost less impairment. If an impairment exists, the recoverable amounts of the above investment are estimated in order to determine the extent of the impairment loss, if any.</p> <p>Determination of triggers for impairment in value of these investments and recoverable amount involves significant estimates and judgements.</p>	<p>Evaluation of impairment risk and assessing whether triggers exist for any investment based on consideration of external and internal factors affecting the value and performance of the investment.</p> <p>Our audit procedures included:</p> <ul style="list-style-type: none"> <li>• Obtained management assessment of recoverable amount for investments where impairment risk is identified.</li> <li>• Evaluated the mathematical accuracy of the cash flow</li> </ul>

<p>projection and assessed the underlying key assumptions in management's valuation models used to determine recoverable amount considering external data, including assumptions of projected EBITDA, revenue growth rate, terminal growth rates, discount rates, and assessed the sensitivity of the assumptions on the impairment assessment and assessed the forecasts against the historical performance</p> <p>Assessed the appropriateness of the related disclosures in the standalone financial statements.</p>

### **Information Other than the Financial Statements and Auditor's Report Thereon**

The Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Board report but does not include the financial statements and our auditor's report thereon. The other information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other identified as above when it becomes available and, in doing so, consider whether such other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance. We have nothing to report in this regard.

### **Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation

of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We are also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit

evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure 1**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c. The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
  - e. On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164(2) of the Act.

- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure 2**”.
- g. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company do not have any pending litigation as on as on 31<sup>st</sup> March 2024.
  - ii. The Company did not have any long-term contracts outstanding as on 31<sup>st</sup> March 2024 for which there were any material foreseeable losses.
  - iii. The Company is not required to transfer funds to the Investors Education and Protection Fund.
    - a. The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate), have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity, including foreign entity (‘Intermediaries’) with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (‘Ultimate Beneficiaries’) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
    - b. The management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in aggregate), other than in the normal course of business, have been received by the company from any person or entity, including foreign entities (‘Funding Parties’) with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (‘Ultimate Beneficiaries’) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries, and
    - c. Based on such audit procedures that were considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material misstatement.
  - iv. No Dividend has been declared or paid during the year by the Company.
  - v. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2024 which has a feature of recording audit trail (edit log) facility and the

same has operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of the audit trail feature being tampered with.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from 1st April, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended 31st March, 2024.

## **ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT**

**Annexure Referred to in Independent Auditors' Report on the Standalone Financial Statements of Even date to the members of MELSTAR INFORMATION TECHNOLOGIES LIMITED for the year ended March 31, 2024.**

**Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of MELSTAR INFORMATION TECHNOLOGIES LIMITED ("the Company") as of March 31, 2024 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting

### **Meaning of Internal Financial Control over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1)Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2)Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company;(3)Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Market Risk - Price risk	Equity Instruments		Company maintains its portfolio in
Market Risk - Foreign exchange Risk	Export, Import and Borrowings		Forward contracts and Currency options

### **Credit Risk**

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss.

### **Trade receivables**

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed by the management on regular basis with market information and individual credit limits are defined accordingly. Outstanding customer receivables are regularly monitored and any further services to major customers are approved by the senior management. Based on the business environment in which the company operates.

On account of adoption of Ind-AS 109, the Company uses expected credit loss model to assess the impairment loss or gain. The Company uses a provision matrix to compute the expected credit loss allowance for trade receivables. The provision matrix takes into account available external and internal credit risk factors and the Company's historical experience for customers. The company manages its credit risk through credit approvals,

### **Financial instruments and cash deposits**

Credit risk from balances/investments with banks and financial institutions is managed in accordance with the Company's treasury risk management policy. Investments of surplus funds

are made only with approved counterparties and within limits assigned to each counterparty. The limits are assigned based on corpus of investable surplus and corpus of the investment avenue. The limits are set to minimize the concentration of risks and

The Company's maximum exposure to credit risk for the components of the balance sheet at March 31, 2024 and March 31, 2023 is the carrying amounts as stated in balance sheet. The Company's maximum exposure relating to financial guarantees and financial derivative instruments is noted in the liquidity table below.

### **Liquidity Risk**

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The objective of liquidity risk

The Treasury Risk Management Policy includes an appropriate liquidity risk management framework for the management of the short-term, medium-term and long term funding and cash management requirements. The Company manages the liquidity risk by maintaining adequate cash reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of

### **Market Risk**

Market risk comprises two types of risk: price risk, interest rate risk and currency risk. The risks may affect income and expenses, or the value of its financial instruments of the Company. The objective of the Management of the Company for market risk is to maintain this risk within acceptable

#### **Price risk**

Equity price risk is related to the change in market price of the investments in quoted equity securities. The value of the financial instruments is not material and accordingly any change in the value of these investments will not affect materially the profit or loss of the Company.

### Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since, the Company has insignificant interest bearing borrowings, the exposure to risk of changes in market interest rates is very low. The Company has not used any interest rate derivatives.

The exposure of the Company to interest rate changes at the end of the reporting period are as under:

### Interest rate sensitivity

No sensitivity analysis is prepared as the Company does not expect any material effect on the Company's results arising from the effects of reasonably

possible changes to interest rates on interest bearing financial instruments at the end of the reporting period.

### Foreing Exchange Risk

Foreign exchange risk arises on future commercial transactions and on all recognised monetary assets and liabilities, which are denominated in a currency other than the functional currency of the Company. The Company's management has set policy wherein exposure is identified, benchmark is set and monitored closely, and accordingly suitable hedges are undertaken. Policy also includes mandatory initial hedging requirements for exposure

There is no Foreign currency exposure for the company as on 31st March 2024.

### Note 27(c) : Capital Management

For the purpose of the Company's capital management, capital includes issued equity share capital, securities premium and all other reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the value of the share and to reduce the cost of capital.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company can adjust the dividend payment to shareholders, issue new shares, etc. The Company monitors capital using a gearing ratio, which is net debt divided by total equity. The Company includes within net debt, interest bearing loans and borrowings, less cash and cash equivalents.
